EMERGENCY EVACUATION INFORMATION FOR VISITORS

UWC IS COMMITTED TO SAFETY AND HEALTH BEST PRACTICES TO ALL VISITORS

DO'S

1. Upon hearing the emergency siren, exit the building through the designated or alternate route only or go to the nearest and safest emergency exit.
2. Walk in orderly manner, quickly without panic to the designated assembly point.
3. Stand in the visitor section. Keeping noise to a minimum so that emergency instructions can be heard.
4. When the all clear is given, visitors are to return to the meeting room or lobby in an orderly fashion.

DON'TS

1. Remain in the lobby or meeting room.
2. Go to the toilet.
3. Try to fight fire, contain chemical spillage or give a first aid measure if you are not trained to do so.
4. Run, hide, push, panic, and break any door or any glass panel.

The Evacuation Assembly area is in between front block A and block B
